This is in line with the College's Disciplinary Code.	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	procedures in accordance with its procedures.		condition in Part 2 of Schedule 1 to the Data Protection Act 2018	Where the College processes special category data for these purposes, the processing is necessary for the prevention of a breach of its obligations under the Equality Act 2010. The processing is necessary for reasons of substantial public interest, namely that the College must comply with its statutory obligations concerning equality and to make reasonable adjustments.  The processing is also necessary for the exercise of a protective function.  In both cases, the processing must be carried out without consent so as not to prejudice those
16	Records of College cultural life: photographs and written records of teams, choirs, clubs and societies, plays and performances, of participation in events and sporting fixtures and of the outcomes.	We generate this data about you We obtain this data from third parties	College life, which may be relevant to you individually (for example if you later request a reference from us), and which is also part of the College's own archive record of what its members	permanently.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms	The College has a legitimate interest in maintaining a record of its cultural life, including for researchers and future students.			
17	Meal bookings and attendance.	We obtain this data from you	So that we may provide catering services to students and invoice them correctly for the services provided.	Permanently as part of meals and accounting database.	Processing is necessary for performance of our contract with you.				

18	Records generated for legal or statutory compliance purposes that contain names and/or associated personal data. For example, copies of data supplied pursuant to requests made under data protection and/or freedom of information legislation, records made to comply with copyright, safeguarding, health and safety or counterterrorism legislation, in connection with legal advice or claims, or to comply with auditors' requirements.	We generate this data about you	So that we have a record of information supplied, both in the interests of good administration and also to meet legal and regulatory requirements.	These records will be retained for a period of 6 years from the date generated for compliance purposes unless there is compelling justification for the data to be retained for a longer period (for example in connection with legal advice, or in relation to auditing obligations).	with a legal obligation		Substantial public interest under the UK Data Protection Act 201	Where it processes special category data for these purposes, the College is exercising functions conferred under legislation and/or complying wth regulatory requirements. The processing is necessary for reasons of substantial public interest, namely the requirement for the College to comply with its statutory and legal obligations.	condition in Part 2 of	Where it processes special category data for these purposes, the College is exercising functions conferred under legislation and/or complying wth regulatory requirements. The processing is necessary for reasons of substantial public interest, namely the requirement for the College to comply with its statutory and legal obligations.
19	·	We obtain this data from you	Where the College organises an event abroad (for example a College Choir event).		Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection	The College has a legitimate interest in arranging cultural events abroad.	Explicit consent			
20	, ,	We obtain this data from the University of Oxford We obtain this data from you				The College, its students and the University have a legitimate interest in the Colleges being able to provide information to the University in order to enable it to comply with immigration law obligations.  In the case of right to work information, the processing is necessary for the College to comply with the requirements of UK Visas and Immigration under immigration law.				
21	,	We obtain this data from you We generate this data about you	Overseas students need visas in order to attend university.	cease to be a registered student.	Processing is necessary for performance of our contract with you; Processing is necessary for compliance with a legal obligation		Explicit consent			
22	1	We obtain this data from you	So that we are able to contact people close to you in the event of an emergency.	you cease to be a registered student.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection	The College and its students have a legitimate interest in the College being able to contact someone you nominate for emergency situations.				
23	Contextual admissions information for undergraduate admissions (relating to information about your school performance, postcode and care background).	Oxford	The role of contextual admissions data is explained more fully on the University's website, but is taken into account when deciding whether to invite applicants for interview (in addition to candidates who have met the usual departmental admissions criteria): https://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/decisions/contextual-data?wssl=1	you cease to be a registered student.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms;  Processing is necessary for compliance with a legal obligation.	The College has a legitimate interest in ensuring that people from a range of backgrounds have the opportunity to attend the College.  Under relevant legislation the University is required to adhere to the agreement it has with the Office for Fair Access / Office for Students, which includes the use of contextual data in the undergraduate admissions process.				
24	Information about your contractual terms and conditions, personal tutor, university card number, contact details and any carer responsibilities that you tell us about.	We obtain this data from you We generate this data about you	So that we are able to deliver your course and can take account of your circumstances when we deliver it.	contact details and any carer responsibilities that you tell us about, will be kept for 6 years after the end of the academic year you cease to be a registered student.  Information about your contractual terms and	Processing is necessary for performance of our contract with you;  Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in being able to take account of relevant circumstances when providing your course.				
25	Records of attendance at and participation in College committee meetings	We generate this data about you	Where you are a student member of a College committee, we may record your attendance and details of your involvement in the meeting minutes and in internal communications.	A permanent record will be retained in the College archive where your attendance and comments are recorded in committee minutes.	Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.	The College has a legitimate interest in having student representatives on certain committees, and it is necessary to process your data for those committees to function properly.				
26			In order to make decisions about financial support and to ensure that the College is encouraging and supporting participation by talented people from all backgrounds.		Processing is necessary for the purposes of our or someone else's legitimate interests, except where overridden by your data protection rights and freedoms.  Processing is necessary for performance of a task in the public	The College has a legitimate interest in receiving, considering and making decisions about financial support in the interests of its students.				
27	Records relating to degree ceremonies; attendees, catering requirements, names of your guests.	We obtain this data from you We generate this data about you	In order to provide and operate degree ceremonies.	These records will be retained for one year from the	Processing is necessary for performance of our contract with you.
