

WELCOME ALUMNI

CLASS OF 2025

WHAT DOES IT MEAN TO BE A REGENT'S ALUM?

Although your time as a student at Regent's has come to an end, your relationship with the College is only just beginning! When you matriculated just a few years ago, you joined a lifelong community which dates back to the founding of the College in 1810. This welcoming and inclusive community includes current students, Fellows and staff, friends of the College and our thousands of wonderful alumni. Our extended family spreads across the whole world, with a network of connections that last a lifetime. You will forever be a part of the Regent's community and there will always be a place for you here. Many of our students describe Regent's as a home away from home, and we hope that it continues to be so for you, as an alumnus.

"My favourite thing about Regent's is that it always feels like coming home."

"Whenever I visit, I fall in love with Regent's again."

WHAT CAN I EXPECT?

College Visits: As Regent's alumni, you are welcome to visit the College anytime. If possible, please drop us an email ahead of time to let us know you're coming (development@regents.ox.ac.uk) – we would love to see you and catch up about what you've been up to since graduating! If your visit is spontaneous, you're welcome to pop in anyway! Just make sure to show your alumni card at Reception.

My Oxford Card: Your Oxford alumni card will give you access to a range of benefits and offers, including discounts at local Oxford businesses and entry to colleges and libraries. You can request your My Oxford Card by visiting www.alumni.ox.ac.uk/my-oxford-card. You will need your Oxford Number, which you can get from us by emailing development@regents.ox.ac.uk.

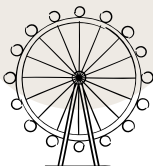

Regent's Now: Our annual alumni magazine, filled to the brim with College news – yearly updates from the JCR, MCR and Ministerial Community, a letter from the Principal, special features and interviews, Regent's recipes, 'the year in pictures', and much more. Update your contact details to make sure you get your copy! You can read previous editions on the College website (www.rpc.ox.ac.uk).

Termly Newsletters: An end of term round up e-newsletter written specially for alumni, sharing student stories, College updates and latest news from the alumni community!

ALUMNI EVENTS

Without a doubt, the thing you'll be most interested in hearing about will be our exciting alumni events! With a varied programme of events like Gaudies, (essentially special Formals for alumni), drinks receptions, online academic talks and much more; based in Oxford, London and sometimes further afield (in March 2025, Regent's Principal Sir Malcolm hosted a dinner in NYC!) there is something for everyone. We also invite alumni to attend some familiar events from their student days, like Carols in the Quad and the Summer Play. Alumni join us from events from across the world, and from matriculation years as close as 2020 and as far as 1975. We can't wait to see you amongst them!

SUPPORTING REGENT'S

Regent's alumni - whether they matriculated five years ago or 50 - love the College just as much as you do, and it is thanks to their generous support that Regent's remains the special place it always has been, whilst also building on those foundations to flourish and grow. If now, or in the future, you would like to join the many alumni who give back to Regent's and support the next generation of students (as our alumni did for you), we would be honoured by your support. You can learn more at www.rpc.ox.ac.uk/alumni-friends/supporting-regents.
