

Directions to Regent's Park College, Pusey Street Oxford, OX1 2LB

Directions from Railway Station

Leave Oxford train station and turn left on the main road (Hythe Bridge Street); follow the road for about half a mile. The road will pass over a small bridge; bear left as the road bends. Follow the road to the traffic lights, and continue along the road (bearing right onto Beaumont Street), and then turn at the next left (St John Street). Walk along St John Street, turn right into Pusey Street and the college entrance is half-way up the road on the left (via the door under the flagpole and crest, not the one by the ramp).

Directions from Bus Station

Go through the Gloucester Green Market Square, and turn left at Gloucester Street. This will take you to the intersection of Gloucester Street and Beaumont Street. Cross over and walk straight ahead on to St John Street. Walk along St John Street, turn right into Pusey Street and the college entrance is half-way up the road on the left.

Parking

Oxford offers five park and ride services to the city centre. This is the most cost-effective option for parking in and around Oxford.

(http://www.parkandride.net/oxford/html/oxford_parkandride.html).

Gloucester Green underground car park is expensive but only a short walk from away.

Pay and display on-street parking is available but only up to two hours and spaces are limited and expensive. Unfortunately, we are unable to reserve parking spaces. A disabled parking space is available on Pusey Street.
